

Welsh Valley HSA Presents:

Facebook, Instagram, and Technology:

*Parenting your children through adolescence in a
Technological world*

*Come learn how to help your pre-teens and teenagers transition
into, through, and out of middle school technology: from first
exposure to personal lap tops!*

Welsh Valley Middle School, Library

April 18, 2013

7:00 pm – free and open to all!

Stephanie Newberg

Stephanie Newberg is a licensed psychotherapist, working with individuals, couples and families. She has been in practice for 15 years specializing in: family and couples therapy, grief/loss, children and adolescents, bullying and cyberbullying, and the implications of divorce on families. She is a frequent presenter on adolescents and technology.
