

Top Five School Subjects at Merion

By Avery Pelletier

If you had to guess, what do you think is the most popular subject at Merion? Math? Spanish? Language Arts? Well, guess no more - I asked 30 students at Merion to name their favorite subjects and here is what I found: 3 votes for Science; 3 votes for Math; 5 votes for Art; 7 votes for Writing; and, drumroll, please...12 votes for Gym! Yep, that's right, Gym is the most popular. Surprised? Actually, I was not surprised by this result at all. Mr. Davis does a pretty wonderful job.
