

Getting To Know Mrs. Miller

By Lilian Wang and Anna Kobell

We wanted to interview Mrs. Miller and we got the chance. Mrs. Miller is a 3rd grade teacher and has been teaching here for more than 10 years! I bet you didn't know that Mrs. Miller's favorite holiday is the 1st day of school. Would you like to find out why?

Q: What is your favorite holiday?

A: "The first day of school because I get 22 new presents."

Q: Why do you like teaching?

A: "It fills my heart with joy and laughter and feels like I am changing the world."

Q: If you could change anything about teaching, what would it be?

A: "Less paperwork because that has nothing to do with children or teaching."

Q: If you couldn't teach, what would you do instead?

A: "I would open a learning center called "Learning For Fun" for children who want to learn more things."

Q: If you could change your name, what would you change it to?

A: "I'd change it to 'Isabella'. (pronounced EEES-abella)"

Q: What is your favorite snack?

A: "A juicy jersey tomato."

Q: If you could have one wish, what would it be?

A: "I would wish to spend everyday with my granddaughter and my dog."

Those were some of the questions we asked Mrs. Miller. Hoped you enjoyed! Bye!
