Walk-in's welcome!

Come out and join Ivy League Legend and current Harrington Women's Varsity Head Coach Chris Wielgus for a day of fun and basketball. Coach Chris, along with her staff and current players will organize kids into games, discuss with the players strategy, provide feedback for what/how kids can improve. It's a can't miss chance to talk to current varsity players about their experiences and to learn what it takes to be a Varsity basketball player!
