Katie Samson was a star goalie at Radnor Middle School and Middlebury College who suffered a terrible spinal cord injury in a sledding accident in 2000. She started a foundation to support athletes with spinal cord injuries, funded mostly by the annual Katie Samson Festival, the largest lacrosse festival of its kind. This year's Katie Samson Festival takes place on April 27, 2019 at Radnor High School, and while the Varsity teams will be playing, it is fun for the whole family with 2 Fan Zones, including Food Trucks, Katie's Kiddie Corner, rides, face painting, raffle prizes, clothing and equipment sales, plus 54 premier lacrosse teams playing one game apiece and wheelchair rugby, tennis, and basketball games.

Come support LMHS's lacrosse teams and enjoy pizza, salad, desserts and more, including a raffle of LM jerseys, speeches by Katie Samson and her family, and much more. Suggested donation of \$10/person will be collected at the door. Don't miss it!
