Lower Merion Basketball's basic philosophy is to train Lower Merion basketball players to become exceptional players while teaching proper sportsmanship, teamwork, character, self-esteem and leadership. Success comes when players learn these values along with the skills required to be successful. Coaching young players isn't easy but our extensive basketball playing and coaching experience will make your son a better player. We believe that mastering basic basketball fundamentals and ensures long term basketball success.

The mission of Lower Merion Sports is to provide a quality environment that promotes advanced instruction, sportsmanship, teamwork, character, leadership and a love of basketball. Developing an advanced basketball player with exceptional life skills is our number one goal and achieving this will lead to a high level of basketball success.
