

## **LM Township Scholarship Fund — Teacher Recognition**

Looking for a meaningful way to acknowledge your child's teacher during the holidays? A great option is to give a Lower Merion Township Scholarship Fund (LMTSF) recognition card in his/her name. LMTSF is a needs-based scholarship fund that has been helping our high school graduates realize their college dreams for more than 50 years! Today, more than ever, your donation will have a real impact on our students' lives. These grants help defray the ever-increasing costs to attend college.

Cards are \$25 each or 3 for \$50 and do not conflict with the LMSD policy on gifts to teachers. They are a perfect tribute to an educator you want to recognize or thank. Visit our website for details [www.lmtsf.org](http://www.lmtsf.org) or simply text APPLES to 91999 (for one card) or text 3APPLES to 91999 (for 3 cards). Thank you.
