More Than Just A New Building: A Refresh of the 5-8th Grade Experience Across The District

Tuesday March 10th

9:30-11:30 am

Academy Building (adjacent to the Bala Cynwyd Middle School)

Assistant Superintendent Dr. Scott Eveslage will meet to discuss and provide an update on the District's 5-8 Committee. A committee has been established to rethink the program we offer for students in grades 5-8. This goes beyond the new middle school - the committee is looking at various aspects of our program through the lens of the strategic plan and asking these essential questions: How can we reimagine our 5-8 program? And what could the 5-8 experience be for our students?

This general meeting is open to all parents/guardians in the Lower Merion School District
