Please return this completed form along with payment by September 15th. Remember: Your \$15 dues include one directory, but you can order additional copies for \$5 each.

Why do we pay HSA Dues?

As a parent/guardian of a Merion student, you are a member of the school's HSA. We ask for your support by contributing **\$15 per family for annual dues**. These dues go a long way to support the Merion School and Community with:

1. Enrichment Activities, such as assemblies and the Artist/Scholar In Residence program.
2. Community Building Events such as Cultural Heritage Night and Fall Picnic.
3. Information, such as the school directory and the Thursday Envelopes.

Included with your dues payment, you will receive one Merion directory per family. The directory is full of useful information such as school guidelines, a calendar of HSA events and meetings, a list of this year's committee chairs, a staff directory, and a directory of students organized by class. Any family that cannot pay dues, but would like to receive a directory, please contact Ms. Heffron. *This information will remain confidential.*
