

April 26–May 4, 2019

## Philadelphia Science Festival

The Philadelphia Science Festival will return in 2019 to educate, inspire, and engage the region with the science and technology that surrounds our everyday world. Organized and led by The Franklin Institute, in collaboration with 200 of the region's premier science, cultural, and educational establishments, the Philadelphia Science Festival offers events for families and adults all across the Delaware Valley.

May 4

## Science Carnival on the Parkway

The 2019 Philadelphia Science Festival culminates in a super-charged, super-fun celebration of science! This FREE finale event promises to be the ultimate daylong science extravaganza!
