

Rainbow Day

Who: Merion Elementary Students and Staff

When: Friday, May 19, 2017

Where: Merion Elementary School

What: Wear your favorite color to school.

Why: Sunday, May 21st is World Cultural Diversity Day. Merion Elementary School would like to celebrate this day and the No Place for Hate theme by having a No Place for Hate Rainbow Day on Friday, May 19th. We would like every child and adult in our school to build a more inclusive and respectful community.

On Friday May 19th, please wear as much of your favorite color as you can. As you walk around the school, you will see the colors of the rainbow and be reminded that we are all different and together we can make something really special and beautiful, a RAINBOW! Let's reflect on our differences and think about how these differences make us unique and give us strength.

Please wear as much of your favorite color as you can on Friday, May 19, 2017.
