Of Lower Merion School District

## ***Raising Sexually Healthy Kids: A Toolkit for Parents and Caring Adults***

***Tuesday, January 19, 2021 -7:00 - 8:30pm via Zoom***

The ISC/LMSD Health Services Parent Education Series and Penn Valley HSA invite the entire LMSD community to Raising Sexually Healthy Kids: A Toolkit for Parents and Caring Adults presented by Al Vernacchio. Helping younger children begin to think about sexuality in a positive way is essential to the development of healthy sexuality. Join author, TED talk speaker and nationally known sexuality educator Al Vernacchio for an evening of conversation and practical strategies to help elementary school aged children engage with sexuality in a responsible, value-informed and deliberate way.

The Parent Education Series is a joint collaboration between the InterSchool Council (ISC) and LMSD Health Services. Each event is hosted by a school HSA, thank you Penn Valley! although all members of the Lower Merion School Community are invited to attend.

**Register in advance for this meeting:**
