

24th Annual Welsh Valley Jazz Festival

*Welsh Valley Middle School

Research has found that learning music facilitates learning other subjects and enhances skills that children inevitably use in other areas. We are fortunate to be part of a school district that values music education and performance and we want more kids to participate!

One of the best ways to get your children interested in instrumental music is to have them see older students performing and having fun. To that end, we are inviting all elementary families to attend the **24th annual Welsh Valley Jazz Festival on Friday, May 3rd starting at 7PM. LMSD Elementary students get in for FREE!** Two bands from **Welsh Valley** and two bands from **Bala Cynwyd** will be performing, along with bands from other local middle schools. Be prepared to be surprised at the quality of the music!

We also will have meatball sandwiches, pizza, and baked goods for sale, fun raffle baskets to try and win, and non-stop music. Mark your calendar now and bring the family out to **Welsh Valley Middle School, 325 Tower Lane, Narberth on May 3rd at 7:00 PM!**
