Want to get involved? Here are some ways to give a little time:

First Grade Lunch & Recess: Contact Roger Pelletier if you can help the First Graders learn how to navigate the lunch line and clean up after eating. (11:30 AM - 12:20 PM daily, Sept. - Nov.)

LMSD Committee for Special Education (CSE), Merion Rep: Represent Merion in the CSE, a district-wide, parent-led organization which supports students with IEP's GIEP's, and 504 Service Agreements. Attend CSE meetings (2 - 3 per year) and act as a liaison between the CSE and Merion's HSA. Contact Kristine DelMonte at kristine_delmonte@hotmail.com to find out more information.

Merion Directory: Help is needed in Sept. and early Oct. to help proofread the directory. This can be done on your own time at home. (Approx. 1 - 2 hours) Contact Melanie Schafmeister at melanie.schaf@verizon.net for more information.

Lost and Found: Work with Merion staff to monitor Lost and Found items and arrange to display items during Merion events. (Approx. 1 - 2 hours over the course of the school year). Contact Kristine DelMonte at kristine_delmonte@hotmail.com for more information.
